

2019 INDIANA INFECTIOUS DISEASE SUMMIT

UNITED IN PREVENTION, RESPONSE AND SERVICE

Save the Date
November 20-21, 2019
Indianapolis

Keynote Speaker:

Jay C. Butler, MD (CAPT, USPHS, RET)
Deputy Director for Infectious Disease
CDC

Target Audience: Infection preventionists, laboratorians, local health departments, epidemiologists, emergency preparedness coordinators, healthcare providers, public safety, state partners and students

Objectives

At the completion of this activity, participants should be able to:

- Understand trends and responses to current and emerging infectious diseases
- Discuss the implementation of epidemiology preparedness to prevent and mitigate infectious disease
- List three new partnerships to enhance infectious disease prevention and response
