

IHA ADE and Readmissions Webinar

Please join the Indiana Hospital Association's Patient Safety Center on Oct. 16 at 12 p.m. ET for a webinar focused on Adverse Drug Events (ADEs) and Readmissions, two key harm categories that affect far too many Indiana patients and their families. During the webinar, the experiences and recommendations of faculty members for both topics will be presented, along with a review of best practices.

Learning Objectives:

- Describe three recommendations to address key contributing factors to ADEs related to warfarin, insulin and opioids
- Identify three strategies for enhancing care transitions and preventing readmissions for patients being discharged home or to another care facility
- Evaluate adherence to recommended, evidence-based best practices in your organization
- List suggested measure definitions for ADEs related to warfarin, insulin and naloxone

Participant Access Numbers

Toll-Free (US & Canada): (888) 567-1603

International Dial-In (Toll): (862) 255-5347

Webinar: <https://join.onstreammedia.com/go/68131182/101615>

To Join the Audio Conference

1. Call one of the dial-in numbers shortly before the start time.
2. You will be greeted by an operator and asked for your Name, Hospital.

Handy Hints

- If you need assistance during your conference press *0 and an operator will be happy to help you.
- For the best audio quality during your conference, use a landline phone with a handset or headset. Please mute your line to prevent any background noise in the presentation.

If you have any questions, please contact Kaitlyn Boller (317) 423-7742 or kboller@IHAcconnect.org
