Re: IHA Arrangements during AHA Annual Meeting

The American Hospital Association's Annual Membership Meeting is scheduled for April 24 – 26 at The Marriott Marquis. I encourage you to join your peers for advocacy on vital regulatory and legislative issues. As the first meeting since the COVID-19 pandemic, this year's meeting is critical to reinvigorating relationships at the federal level and your attendance will be important.

As in years past, IHA is planning activities for its members. All participants should [register](#) by no later than **Friday, April 15**.

Please note that, in addition to registering for IHA activities, members must also register directly with the American Hospital Association for the [AHA Annual Membership Meeting](#).
